<http://gmap.jp/shop-912.html?&uid=197621>

**live MUSIC with LISALUNIX and ALI-MO to follow.

JAPANAMERICA

How Japanese Pop Culture has Invaded the U.S

www.japanamericabook.com

Japanamerica addresses the American experience with the Japanese pop phenomenon, covering everything from Hayao Miyazaki's epics, the burgeoning world of hentai, or violent pornographic anime, and Puffy Amiymumi, whose exploits are broadcast daily on the Cartoon Network, to literary novelist Haruki Murakami and more. With expert insight regarding both nations, *Japanamerica* highlights the shared conflicts as American and Japanese pop cultures dramatically intersect.

"Embrace the world of *otaku* in Roland Kelts's comprehensive study of how Japanese pop culture enchanted the West."

—**Wired Magazine**

"Like a *Wired* magazine article on steroids, *Japanamerica* segues between street-cred observation and bullish corporate discourse."

—**The Village Voice**

"Entertaining and enlightening."

—**The Guardian (UK)**

"Precious: a personal record of enlightening research on both sides of the Pacific, told with loving detail and complemented by 'insiders'."

—**The Japan Times**

"The book I have been waiting for. Roland Kelts, part American, part Japanese, brings real insight to the way this union of hearts and souls through entertainment will continue to draw two very different worlds together."

—**Pete Townshend, The Who**

Roland Kelts is a co-editor of the literary journal, *A Public Space*, and a Lecturer at The University of Tokyo. He has also lectured at New York University and Barnard College. His fiction and nonfiction have appeared in *Playboy*, *DoubleTake*, *Zoetrope*, *The Village Voice*, *Salon*, *Newsday*, *Vogue Japan* and *The Japan Times*, among others. Contributing writer **Leo Lewis** is an award-winning journalist and the Asia Business Correspondent for *The Times of London*.
